Our Mission Statement

The Joel A. Gingras, Jr. Memorial Foundation (The JAG Fund) is a grassroots network of family, friends and neighbors united in remembrance, inspired by hope and passionately committed to finding a cure for brain tumors. The mission of The JAG Fund is to celebrate the life of Joel A. Gingras, Jr., raise vital funding for brain tumor research and increase public awareness of the disease. Working independently and together with other professional organizations, The JAG Fund provides support for brain tumor research in the hopes of creating a brighter tomorrow.
